

Luminaire

Ilbi+

109-311K-23FJE/835, B

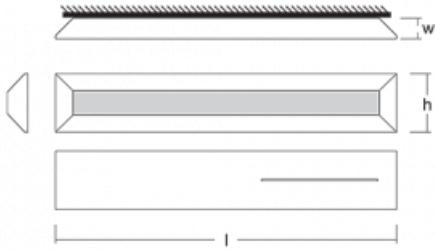

Combining maximum usefulness with the minimalist design of Matúš Opalka gives you the Ilbi+ family of lighting. We have, moreover, added a dual function. In addition to lighting up the room indirectly, it charges electronic devices through an integrated USB port and acts as a suspension system for inserting hooks, handles or shelves. You can hang your clothes, place books, hang kitchen utensils, lay a towel or other everyday necessities on the luminaire. Ilbi+ luminaires are great for hotels, households, meeting rooms, and thanks to their IP 44 housing also for wellness centers, bathrooms and swimming pool dressing rooms.

Design Matúš Opálka

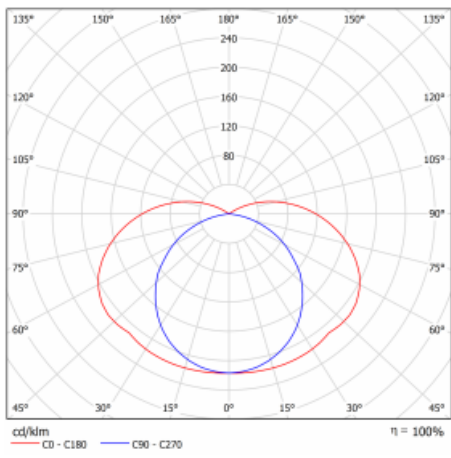

Type of installation	Wall mounted
Light distribution	Indirect
Luminaire shape	Angular
Colour of the luminaires	Black
Material	Aluminium
Lifetime	L80/B20 50 000 hours
Warranty	60 months
Description of luminaires	Luminaire wall mounted
item description	right groove
Dimensions	1176 mm × 37 mm × 106 mm
Light source	LED MODUL
Type of optical system	Opal diffuser
Luminous flux	3240 lm ± 10 %
Colour Temperature	3500 K neutral white
Luminous efficacy	61 lm/W
Colour rendering index	80
UGR max. X=4H Y=8H, ρ=70,50,20	28.8
Luminaire power input	53.1 W ± 10 %
Connection of the luminaires	Electronic ballast non-dimmable
Electrical voltage	220-240V
Frequency	50/60Hz
