

## Luminaire

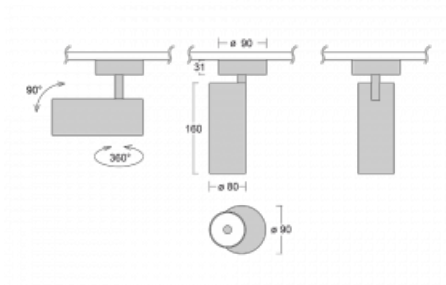

# Vali80

179-200F-10GDE/940, S

When we combine design with functionality, we get luminaires from the Vali80 family. These cylindrical luminaires come in pendant, surface and semi-recessed versions. You can use them to illuminate your household, business and social spaces or, for example, bars. You can choose from three basic colours – white, black and silver or pick a colour from the Halla RAL chart.

## Technical drawing

|                           |                      |
|---------------------------|----------------------|
| Type of installation      | Surface              |
| Light distribution        | Direct               |
| Luminaire shape           | Circular             |
| Colour of the luminaires  | Silver               |
| Material                  | Aluminium            |
| Lifetime                  | L90/B50 60 000 hours |
| Warranty                  | 60 months            |
| Description of luminaires | Luminaire surface    |
| Dimensions                | ø 80 mm × 160 mm     |
| Weight                    | 0.8 kg               |
| Light source              | LED MODUL            |
| Type of optical system    | Reflector            |
| Luminous flux             | 1040 lm ± 10 %       |
| Colour Temperature        | 4000 K cool white    |
| Luminous efficacy         | 104 lm/W             |
| MacAdam Light source      | 3                    |
| Colour rendering index    | 90                   |
| Beam angle                | 32°                  |

Luminaire power input 10 W  $\pm$  10 %

---

Connection of the luminaires Electronic ballast non-dimmable

---

Electrical voltage 220-240V

---

Frequency 50/60Hz

---

 **CE** IP 20
