Burbu

19-214I-40GED/830, B

In the Burbu family, we round off squares with corners and we make ovals from rectangles. These luminaires with a 70 mm profile height have a positive and pleasant effect in the room. Combine luminaires with different diameters and different hanging possibilities. In a range of colours and power versions, flush-mount, wall and pendant models, the Burbu family of luminaires are ideal for hotel lobbies, entrance halls, offices, shops and households.
