

Luminaire

Stan

245-851Z-10GGE/840, S

The Stan luminaire with direct and direct-indirect distribution of light has been designed for comfortable and efficient work. It excels not only in its technical parameters, but also the narrow profile of the head itself, thanks to which the luminaire looks decent, professional and can easily blend in with the surroundings. The luminaire is fitted with an optical element consisting of a combination of optical lenses and a plastic parabolic louvre, thanks to which the optical materials are not visible and therefore the luminaire does not dazzle. The louvre comes in both the basic matt black and matt white colours. The luminaires of the Stan family are designed for both table mounting and free standing, so you can move them freely at any time, thus adapting the arrangement of the items in the room according to your needs.

Type of installation	Table lamp
Light distribution	Direct-indirect
Luminaire shape	Angular
Colour of the luminaires	Silver
Material	Aluminium
Lifetime	L80/B20 50 000 hours
Warranty	60 months
Description of luminaires	Luminaire table lamp
item description	Luminaire on a table; flexible cord CH + switch
Dimensions	610 mm × 47 mm × 780 mm
Light source	LED MODUL
Type of optical system	Plastic louvre low UGR
Luminous flux	3270 lm ± 10 %
Colour Temperature	4000 K cool white
Luminous efficacy	113 lm/W
MacAdam Light source	3
Colour rendering index	80
UGR max. X=4H Y=8H, $\rho=70,50,20$	13

Luminaire power input 29 W \pm 10 %

Connection of the luminaires Electronic ballast non-dimmable

Electrical voltage 220-240V

Frequency 50/60Hz

 **CE** IP 20
