

## Luminaire

# Lina45-T

45-600Z-25GGD/840, S

The Lina45-T luminaires are based on the concept of Lina45 luminaires. In this case, however, the luminaires are installed in three-circuit tracks. These track luminaires with a profile width of only 45 mm are suitable for supplementing accent lighting provided by other luminaires from our product range, for example Vali55-T. With its diffused light, Lina45-T helps to balance the lighting in the room by illuminating the communication zones, especially in the sales areas. The luminaires feature a support adapter in which the luminaire can be rotated along the Z axis thus modifying the arrangement of the system and also partially direct the light in a given space.

## Technical drawing

|                                   |                           |
|-----------------------------------|---------------------------|
| Type of installation              | 3 circuit track           |
| Light distribution                | Direct                    |
| Luminaire shape                   | Linear                    |
| Colour of the luminaires          | Silver                    |
| Material                          | Aluminium                 |
| Lifetime                          | L80/B20 50 000 hours      |
| Warranty                          | 60 months                 |
| Description of luminaires         | Luminaire 3 circuit track |
| Dimensions                        | 1408 mm × 47 mm × 59 mm   |
| Light source                      | LED MODUL                 |
| Type of optical system            | Plastic louvre low UGR    |
| Luminous flux                     | 4920 lm ± 10 %            |
| Colour Temperature                | 4000 K cool white         |
| Luminous efficacy                 | 128 lm/W                  |
| MacAdam Light source              | 2                         |
| Colour rendering index            | 80                        |
| UGR max. X=4H<br>Y=8H, ρ=70,50,20 | 18.6                      |

Luminaire power input 38.4 W  $\pm$  10 %

---

Connection of the luminaires DALI dimmable

---

Electrical voltage 220-240V

---

Frequency 50/60Hz

---

 **CE** IP 20
